

Kingtide VOLLEYBALL®

DEFY GRAVITY. RISE ABOVE.™

2025/2026 JUNIOR CLUB VOLLEYBALL SEASON

Kingtide Volleyball® references Polynesia and Oceania/South Pacific Island themes, culture and traditions: Hawai'i, Samoa, New Zealand, Tonga, Fiji, Tahiti/French Polynesia, and Cook Islands/Rarotonga. The organization's founder and program leadership are of Samoan ancestry, born and raised in Hawai'i. Our organization and junior volleyball program staff are diverse. Kingtide Volleyball® embraces in its teaching principles the Polynesian culture that honors centuries-old traditions and customs rooted in **family, service, arts, ancestral lineage, food, language, and family honor in every aspect of everyday life**. Polynesians throughout the world identify and pride themselves in their traditions and customs as part of their identity when representing themselves and their family name. Kingtide Volleyball® is more than just a high-performance volleyball program and organization—#WeAre a **FAMILY**.
